The patented formula with anti-microbial effect. \*The serum is a cosmetic product that accelerates the tissue regeneration and helps to relieve burning, itching, tightness and excessive sensitivity of lips and oral mucosa associated with the occurrence of aphtae, periodontitis and by sores from dentures and braces.

**Hemp Oil**

**Clove**

**Tea tree**

**Arnica**

**Fir  
Siberian**

**Active ingredients:** Hemp oil, clove, arnica, Siberian fir, tea tree, alcohol.

**Use:** Apply directly on the sensitive spot in the mouth or on lips. The sensation of burning, tightness or excessive sensitivity quickly subsides. Use the serum several times a day as needed. We recommend to add a few drops of the serum to a glass of tepid water and use as mouth rinse.

### Packing:

1,2 ml; 10x 1,2 ml; 5 ml

## How does the using of hemp oil help?

### Herpes

The serum with its strong regenerative effect reduces the formation of unsightly scars after herpes problem. It softens and soothes chapped and irritated lips to protect them against unpleasant scabs resulted.

### Sores

The serum has a calming effect for problems with red-dened mucous membranes and tissues, which are permanently faced to mechanical suppressing of dental braces or false teeth. The dental serum is indicated to be used mainly during night when the mouth is free of dental braces or false teeth.

### Dry and cracked lips

Hemp seed oil provides the skin with nutrients, thanks to which it may be naturally soft and supple. Moreover, it helps to balance hydration, lipid and pH balance of the skin, restores the natural protective microfilm and increases resistance lips. In the case of mechanical damage (e.g. when biting lips) accelerates regeneration.

### Aphtae

Hemp oil harmonizes the oral environment, so that reduces the drilling aft. In addition, as a regenerative serum mitigates the sensitivity of the affected area and significantly accelerates regeneration.
