The warming
massage gel
with
STRONG effect!

- a unique combination of vanilla & capsaicin gives a **long-term effect** of relief - up to 10 hours!
- patented ingredients formula with chestnut relieves from **strained back, tired muscles and stiff joints problems**
- ideal for problems with cold limbs

The seal “patent protected” is a symbol of original ingredients formula containing a synergic combination of the bioactive hemp seed oil and the extract of Siberian fir needles in.

Hemp seed oil multiplies the effect of active ingredients.

Oil of Siberian fir reduces inflammation symptoms, speeds up the regeneration of joints and reduces muscular fatigue.

Equine Chestnut supports strained muscles and joints relaxation, also accelerates bruises absorption.

Vanilla & capsaicin from chilli peppers is a unique combination that guarantees a significant warming effect without any discomfort feeling of strong burning.

Thermolca warming massage gel

Thermolca massage gel with warming effect is indented for problems with strained back, muscle fatigue, stiff joints and “cold” limbs caused by the lack of blood circulation.
