filler: magnesium stearate, gelatine (capsule); color: titanium dioxide (E171)

\*\* Recommended daily dose of 3 capsules

### How should ArginMax<sup>®</sup> Forte for men be used?

We recommend that you use 3 capsules daily, and reduce the dose to 2 capsules daily after the first week of use. The onset of maximum effect occurs after two weeks of regular use and the effect persists for up to two weeks after discontinuation. One-time use exhibits markedly lesser effect compared to regular use.

# ARGINMAX<sup>®</sup> FORTE

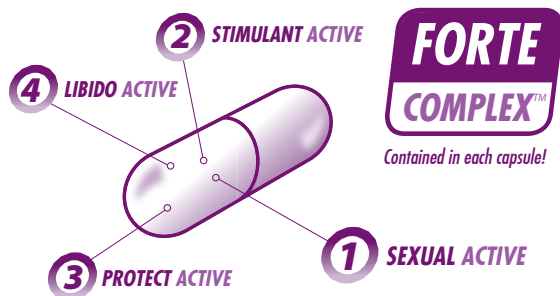

for women

## LONG-TERM IMPROVEMENT OF SEXUAL AND PARTNERED LIFE
