

Clavin[®]

ORIGINAL

**BE MAN AT ONCE!
RELIABLE ERECTION!**

Clavin[®] ORIGINAL ORIGINAL Clavin[®] is a product with unique ingredients. Its active ingredient is Clavertin 21 - a special galenic adjusted mixture that supports the sexual stimulation through the expansion of blood vessels supplying blood to the penis.

A unique component of - **Clavertin 21[®]** - is an effective combination of amino acids L-arginine, L-citrulline and Tribulus and crocus. It has a very strong vasodilating activity and targeted effect on the penis mediated not only by the stimulation of blood circulation, but also because of the modulation of Tribulus on the metabolism of testosterone, which is significantly reflected in the sexual desire of men. Supplementation of selenium and zinc the activity of the natural antioxidant enzymes.
