

SWISS Horse balm

**HIGHEST NUMBER OF HERBS
CONTAIN BOSWELLIA**

- Relief for joints, muscles and back
- Long-lasting, rapid-onset, warming and cooling action
- Boswellia - anti-inflammatory effect

SWISS Horse balm

warm

SWISS Horse warm balm contains extracts of 30 herbs and has a prolonged warming effect that will bring needed relief. Extracts from chilli and medicinal rosemary help to improve skin blood circulation, reduce muscle pain and suppress the unpleasant symptoms of rheumatism. The product releases tension in the muscles and positively affects the healing process.

Ingredients:

Aqua, Petrolatum, Glycerin, Paraffin, Camphor, Phenoxyethanol, Boswellia Serrata Gum Extract, Polyacrylamide, Propylene Glycol, Eucalyptus Globulus Leaf Oil, Glyceryl Oleate, Helianthus Annuus Seed Oil, Menthol, Pinus Sylvestris Oil, Methylparaben, Capsicum Frutescens Fruit Extract, C13-14 Isoparaffin, Laureth-7, Vitis Vinifera Seed Extract, Salvia Officinalis Oil, Ethylparaben, Butylparaben, Achillea Millefolium Extract, Aesculus Hippocastanum Seed Extract, Arnica Montana Flower Extract, Bellis Perennis Flower Extract, Calendula Officinalis Flower Extract, Equisetum Arvense Extract, Euphrasia Officinalis Extract, Foeniculum Vulgare Fruit Extract, Lamium Album Flower Extract, Lavandula Angustifolia Flower Extract, Linaria Vulgaris Extract, Malva Sylvestris Flower Extract, Mentha Piperita Extract, Plantago Lanceolata Leaf Extract, Potentilla Anserina Extract, Rosmarinus Officinalis Leaf Oil, Sambucus Nigra Flower Extract, Taraxacum Officinale Extract, Thymus Vulgaris Oil, Tilia Vulgaris Flower Extract, Veronica Officinalis Extract, Viola Tricolor Extract, Limonene, Propylparaben, Illicium Verum Fruit Extract, Illicium Verum Fruit Oil, Ocimum Basilicum Oil, Capsicum Frutescens Resin, Sodium Laureth Sulfate, Linalool, Alcohol, Humulus Lupulus Extract, Silybum Marianum Extract, Citric Acid, Potassium Sorbate

SWISS Horse balm

cool

SWISS Horse Balm cooling will provide great relief when you suffer from strained muscles and joints after active movement. It contains the extracts of 30 herbs. Thanks to the peppermint, it evokes a distinct cool feeling, and thus suppresses the sensitivity of nerve endings and relieves pain. It is also effective in problems associated with arthritis, rheumatism and inflammation, and its effects are long term.

Ingredients:

Aqua, Petrolatum, Glycerin, Paraffin, Menthol, Ethoxydiglycol, Phenoxyethanol, Camphor, Polyacrylamide, Boswellia Serrata Gum Extract, Propylene Glycol, Eucalyptus Globulus Leaf Oil, Methylparaben, C13-14 Isoparaffin, Laureth-7, Pinus Sylvestris Oil, Ethylparaben, Butylparaben, Achillea Millefolium Extract, Aesculus Hippocastanum Seed Extract, Arnica Montana Flower Extract, Bellis Perennis Flower Extract, Calendula Officinalis Flower Extract, Equisetum Arvense Extract, Euphrasia Officinalis Extract, Lamium Album Flower Extract, Lavandula Angustifolia Flower Extract, Linaria Vulgaris Extract, Malva Sylvestris Flower Extract, Mentha Piperita Extract, Origanum Vulgare Oil, Parfum, Plantago Lanceolata Leaf Extract, Potentilla Anserina Extract, Rosmarinus Officinalis Leaf Oil, Salvia Officinalis Oil, Sambucus Nigra Flower Extract, Taraxacum Officinale Extract, Thymus Vulgaris Oil, Tilia Vulgaris Flower Extract, Veronica Officinalis Extract, Viola Tricolor Extract, Propylparaben, Foeniculum Vulgare Fruit Extract, Limonene, Illicium Verum Fruit Extract, Illicium Verum Fruit Oil, Ocimum Basilicum Oil, Sodium Laureth Sulfate, Linalool, Alcohol, Humulus Lupulus Extract, Silybum Marianum Extract, Citric Acid, Potassium Sorbate, CI 42051.

Application:

Adequate quantities (up to 2 times per day on the same place), massage into the skin of the affected area. Transient erythema at the application site is part of the effect. The effect usually persists for several hours.
