

# STOPCOUGH — SYRUP —

Original herbal syrup  
*Dr. Weiss*

**SWISS**  
PHARMACEUTICAL  
INVESTMENT

**STOPCOUGH syrup** contains **HERBALIUM™**, a unique blend of herbal extracts (ribwort plantain, boswellia, thyme, basil and eucalypt), which

- is a remedy for colds and coughs
- reduces mucus and facilitates expectoration
- has an anti-inflammatory effect
- is a remedy for a sore throat and hoarse voice
- cools the swollen mucous membrane and makes it less sensitive
- keeps the mucous membrane of the throat clean

## Mechanism of action

**STOPCOUGH syrup** contains **HERBALIUM™**, a unique blend of active natural substances which act as a remedy for cold, mucus, cough, runny nose and sore throat. Herbal extracts of boswellia, basil, thyme, and eucalyptus have anti-inflammatory and antibacterial effects, soothe the swollen mucous membrane of the throat and suppress coughing. Extracts of ribwort plantain, thyme, basil and eucalyptus help dissolve mucus and facilitate expectoration. In addition, boswellia helps reduce swelling and allergic changes on the mucous membranes of the throat and nasopharynx.

## Recommended dosage

One tablespoon (adults) or teaspoon (children) 3 times a day. The remedial effect on the mucous membrane can be enhanced by short gargling with the recommended daily dose of the syrup. In this manner, the syrup will better adhere and act on the affected mucous membrane of the throat, soft palate and tonsils.

## Ingredients

Purified water, fructose, sorbitol, alcoholic-aqueous extract of ribwort plantain, alcoholic-aqueous extract of thyme, polysorbate 20, trisodium citrate, potassium sorbate, sodium benzoate, citric acid, xanthan gum, aqueous extract of basil, aqueous extract of eucalyptus, aqueous extract of boswellia, plum flavour, honey flavour, sucralose, menthol.

## Major active ingredients and mechanism of their action:

**Extract of ribwort plantain (*Plantago lanceolata*)** – soothes a swollen mucous membrane and suppresses coughing.

**Extract of boswellia (*Boswellia serrata*)** – contains boswellic acids, natural substances which are remedy for an inflamed mucous membrane and for allergic effects on the mucous membranes.

**Extract of thyme (*Thymus serpyllum*)** – keeps the mucous membrane clean and acts against bacteria.

**Extract of basil (*Ocimum basilicum*)** – soothes a swollen mucous membrane and acts against bacteria.

**Extract of eucalyptus (*Eucalyptus globulus*)** – cools a swollen mucous membrane and makes it less sensitive; acts against bacteria

## What makes STOPCOUGH syrup so special?

- **HERBALIUM™** - fivefold combined effect of 5 herbs on cough - a „multiherbal“ syrup.
- Boswellia: anti-inflammatory and anti-allergic effects.
- Can be taken by people with diabetes and by pregnant and breastfeeding women.
- Swiss quality - a product in a proven series **Dr. Weiss**.
- Appealing taste and smell.

### Storage:

Store in a dry and dark place at 15 °C to 25 °C. Protect from direct sunlight, frost and high temperatures. Once opened, the product should be kept in a dry and dark place and preferably used within 3 months.
